Your Solutions Partner

Today's fast-paced, hyper-competitive environment puts a premium on ongoing innovation and continuous improvement. At Duke, these qualities are deeply ingrained in our corporate culture and way of doing business.

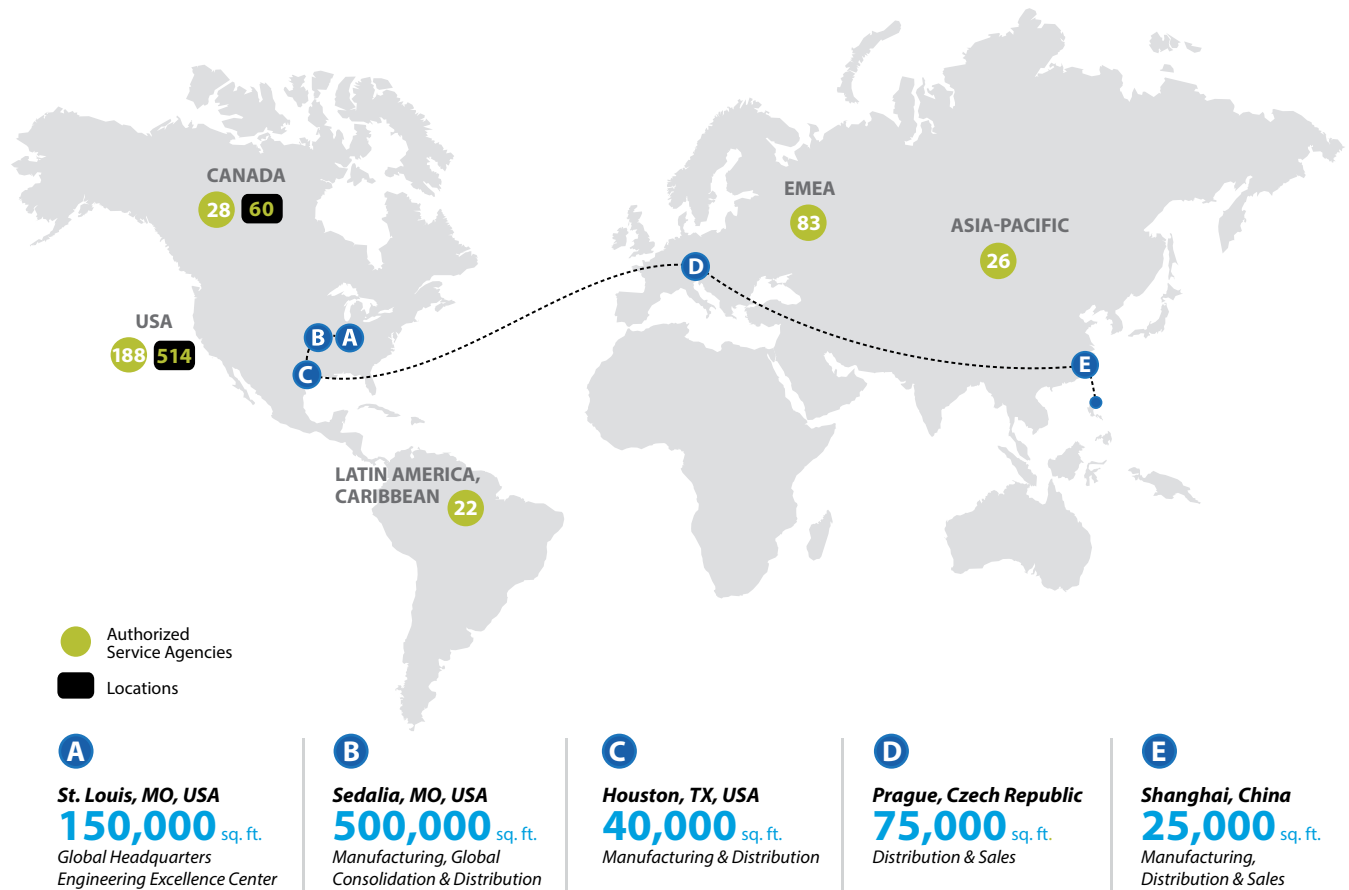

We believe you deserve access to world-class processes, people and facilities. To that end, we invest not only in state-of-the-art hardware like robotics and laser cutting and welding equipment, but also in process enhancement, best practices and our environment through utilization of Six Sigma, Lean Manufacturing,

5S and ISO 9001 and ISO 14000 certification.

Our expanding list of business partners include many of the fastest growing, most dynamic and forward-thinking names in the food-service industry.

- Extensive technology portfolio
- Advanced engineering capabilities
- Comprehensive culinary & foodservice operations knowledge

By partnering with Duke, you'll position your operation for growth now, and in the years ahead.

Our Work Tables

Duke has the **most complete line of worktables and accessories in the Foodservice industry** and offers products at every price point. This means more value for you!

STANDARD FEATURES

- Bull nose front and rear, for additional strength
- Square sides
- Stainless or galvanized steel legs for easy adjustment/ leveling of stainless or galvanized steel undershelf *
- Reinforced undershelf castings

* Stainless steel legs not available for economy work tables

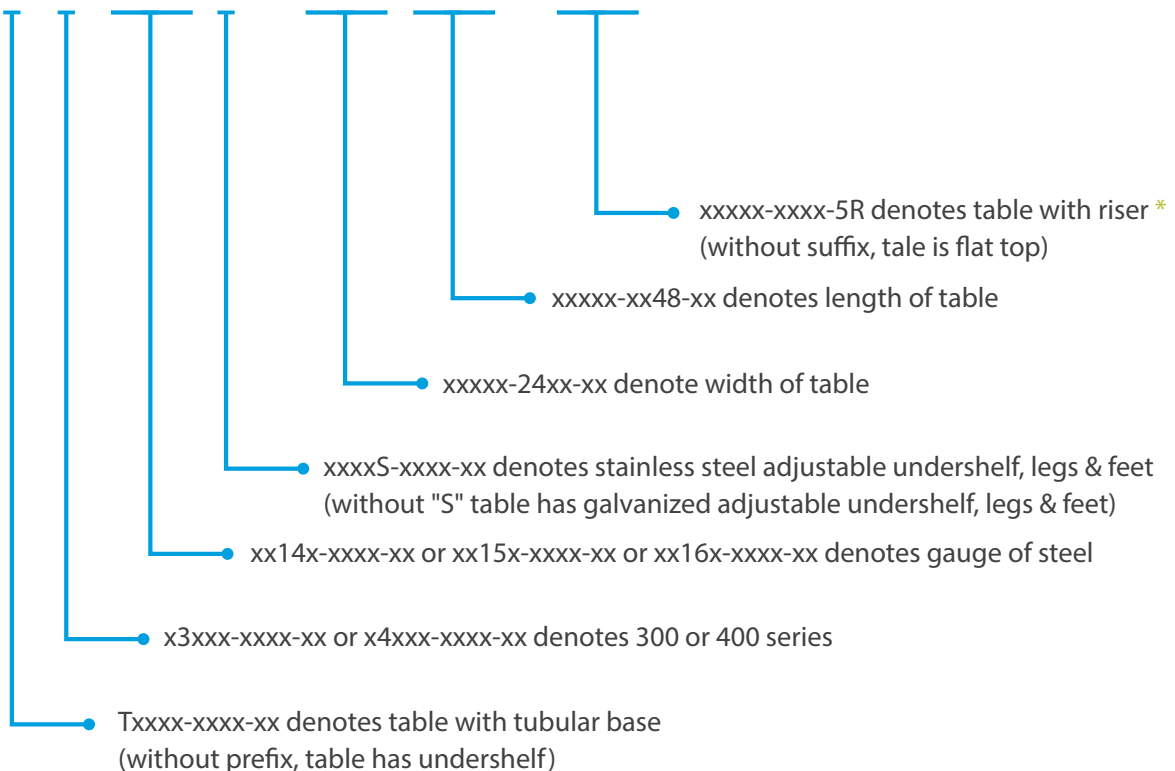

OPTIONS

Understanding Duke's Work Table Model Numbers

T 3 1 4 S - 2 4 4 8 - 5 R

* **Table risers** are available in:

- 2R** = 1 1/8" riser, straight, turn-up
- 5R** = 4 13/32" riser, with 1" at 90° return
- 10R** = 9 1/2" riser, with 1 1/2" at 45° return, 14 gauge standard, with marine edge

NOTE

All work tables longer than 8' will be skidded and all work tables with risers over 6" will be crated.
